

FICTIONAL DOCUMENT -- CLASSROOM USE ONLY

Bodily Injury Intake Notes (fictional)

Notes logged 2026-09-18

Claimant reports a slip-and-fall injury on the insured premises on 2026-09-17, resulting in a minor wrist sprain. Claimant sought outpatient treatment the same day; medical documentation has been requested but not yet received.

Estimated outpatient treatment cost reported by claimant: \$1,450.00. This figure has not been verified against a medical bill or insurer-negotiated rate.

Fictional notes generated for a university fintech course. Not a real injury record.
