Property Theft Statement (fictional)

Statement taken 2026-09-02

Claimant reports that a set of power tools was stolen from a locked garage between 2026-08-30 and 2026-09-01. No signs of forced entry were observed on the main door; claimant believes a side window was left unlocked. A police report has been filed separately.

Claimant's estimated replacement value for the stolen tools: \$2,950.00, based on original purchase receipts (not included with this statement).

Fictional statement generated for a university fintech course. Not a real theft report.
